Attendance Congratulations.

Well done to Year groups Nursery, 1, 3 &6 who have met and passed the schools attendance target.

Late arrival at school impacts your child's attendance mark; please ensure your child is on time.

We have had another fantastic week with the children. We started this week off with a whole school attendance assembly that was held on class whiteboards via Zoom which the children were very excited about. We celebrated the attendance of each class and the winners were able to choose their reward. We will be using zoom to also hold other assemblies with the children too!

Enrichment sessions for the children on a Thursday are well and truly underway. Children have the opportunity to experience forest school, Art lessons, Music and French. We believe that sessions like these allow children to build team building skills, self esteem and confidence as well as allowing children to express themselves. This week the children in forest school enjoyed using tools to create wooden items as well as exploring the signs of Autumn that are beginning to appear and in Art children were looking at street art to express words that hold a powerful meaning.

We hope you all have a lovely weekend and would like to thank you for your continued support.

Polite reminder

Please can we remind you that if somebody else is collecting your child that you ring before hand and let us know who is collecting.
