

Year 6 Spring 2 Newsletter

Rowley Park
Primary Academy

Welcome back Year 6! We are exactly half way through the school year now. Where has the time gone?

In maths, we have started this half-term with algebra - learning to substitute letters and complete inverse operations in order to solve algebraic problems.

In English, we have continued with our Spiderwick theme and begun our balanced argument "Should we slay or save the goblin race?"

Forest School

Our Tuesday forest school session, with Mr Rowlands will continue this half-term. Hopefully the weather will warm up in the following weeks leading up to Easter, however please ensure children have the suitable clothing.

P.E

Our regular PE slot will be on a Monday and Wednesday, however, we may have other P.E/ active sessions on other days so P.E kit is expected to be in school every day.

SATS

We would like to thank all parents for attending the Parents' meeting last month, if you have any more questions about SATS, please feel free to ask myself or Mrs Beaumont.

- Spellings will go out on a Monday and children will be tested the following Monday.
- As SATs is just around the corner, your child can use their mymaths login as well as their revision guides to help them prepare.

Dates for your Diary
