Welcome to Year One! We hope you had a wonderful Summer. We are really looking forward to meeting new faces, parents and taking part in many exciting activities.

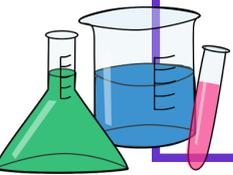

We are starting our term with a whole school Big Adventure, where pupils and staff will complete science activities alongside Dragons Den investment winners, Sublime Science.

Our challenge outcome this term is to hold a Science fair to share our Big Science Adventure.

At the fair, pupils will be sharing a science experiment based on our topic (everyday materials), showcasing art-work based on scientist professor Brian Cox and contributing to a science café by making a Heston Blumenthal style delight.

This year, on a Wednesday morning and Thursday afternoon Mrs Micklewright will be working with the class and Mrs Lea will be the teaching assistant working with your children everyday.

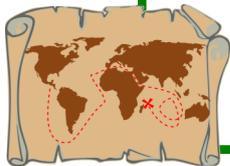

If you have any questions or concerns please don't hesitate to come and speak to us.

## The Big Adventure

This term in NICER, we will be looking at different types of maps and will be visiting forest school to see if we can follow a map linked to our class text; *Where The Wild Things Are*.

We also will be looking into professor Brian Cox and we will create a pieces of work dedicated to him.

## P.E.

This term, in P.E we will be doing gymnastics.

Please ensure your child has a NAMED P.E kit in school throughout the whole term.

For PE, children need to have black pumps, black shorts and a white t-shirt.

If your child wears earrings, please make sure they are not wearing them on Thursdays and Fridays.
