Rowley Park
Primary Academy

Welcome back to all parents and carers of children in Year 6. I'm sure some of you cannot believe that I am saying that.

I am looking forward to seeing how much your children will progress but I will not be teaching alone...

Also joining us this year is Mrs Beaumont, who will be teaching English, maths and science. We will also be joined by Mrs Lipton and Mr Challinor.

Big Science Adventure

Our Big Adventure this year is all things Science!

We will be learning about Thomas Edison and focus on Victorian inventions.

Our writing will also be directly linked to our scientist as we will be completing a biography of Thomas Edison himself and an information text.

Our science adventure will finish with a bang at our Big Science Adventure Fair on Wednesday 18th October 2017.

Help your child at home!

- Please listen to your child everyday— this will have a massive impact on your child's progress in all subjects— and encourage them to record their reading in their homework diaries.
- Spellings will go out on a Wednesday and expected to be learnt for a Monday,
- Alongside their daily reading, homework will include Maths (snappy maths and mymaths).

Dates for your Diary

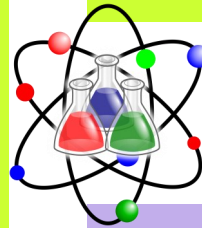

Big Science Adventure -
Tuesday 12th September

Shugborough Residential
Wednesday 20th September -
Friday 22nd September

Y6 Parents' SATS meeting
Tuesday 3rd October -
3:20-4pm

Big Adventure Science Fair -
Wednesday 18th October 2-4pm

End of half term -
Friday 20th October

This term, PE will take place every Monday. It's important that kits are in school on these days. (white t-shirt, black shorts and trainer/pumps)

It is also helpful if children don't wear jewellery on these days, if this is not an option, children can take jewellery out themselves or bring in tape to place over.

First RPA Residential

We are really excited about our first residential just a little reminder that children need to be picked up at 2:30pm on Friday 22nd September.

Mr Smith and Mrs Beaumont will be on playground duty every Tuesday from 8:30am.
