SOME PICTURES FROM OUR 'HOOK' DAY AT ENGINUITY IN IRONBRIDGE!

Schools (almost) out....

We have 7 busy weeks through to the summer in Year 4 with lots of events going on throughout the school as the year draws to a close. Please see the dates to the right to make sure that you have these key events penciled in to the diary. As these events approach more information will be given to parents so keep an eye out for letters that will be coming home.

I will continue to be on the playground from 8:30 on Thursdays throughout the rest of this term and if you need me for anything during the week I will be there at the beginning and end of every school day. Alternatively you can make an appointment at the office to see me before or after school.

On a quick personal note, I would like to thank everyone for their lovely messages following my wedding during half term.

Thank you for your continued support throughout the year!

PE

This term in PE we are preparing ourselves for the sports day which will take place at RPA on Tuesday 26th June. This means that we are out on the field practicing for track and field events. For the children to practice it is essential that they have their PE kit in school Tuesdays and Wednesdays, this should include footwear suitable for the field, thank you.

Our curriculum

English – As our challenge outcome approaches, we are using our time in English to prepare with persuasive writing which will help us to prepare for our presentations. We will also be completing some instruction pieces on our contraption to explain how it works to help those who will be using it.

Maths - In Maths, we are starting the half term by looking at time before moving onto shape. Time will focus on the use of digital and analogue clocks and how to convert between the two. Our shape work will look at quadrilaterals, triangles and different angles. We will also spend some time working on symmetry.

Dates for the diary

Tuesday 26th June – Sports Day @ RPA (am)

Wednesday 4th July – Dragons' Den presentations

Tuesday 10th July - Parent consultation for Year 4

Thursday 12th July - Summer Fayre (pm)

Monday 16th July – Meet the teachers for children

Friday 20th July – Zone assembly (am)

Friday 20th July - End of year (12:00 finish)

Dragons Den Presentation

We are continuing to work hard towards our Dragons Den presentation on the 4th July. As part of this outcome we will be pitching our ideas to the Dragons (Mrs Tewley, Mr Tewley and Mrs Lipton).

Final designs have been drafted and now the class will start to make prototypes of their products! This will keep us busy through to the end of the year and will be a fantastic opportunity for the class to demonstrate their skills in lots of different ways!
