Nandos

Year 6 organised their trip to Nandos in Stafford on Friday after a morning of fun at Rowley Park. As ever, the children behaved impeccably and were a credit to us. Well done Year 6, after all your hard work, it was a well deserved treat!

Times Table Rock Stars

As we all know, knowing our times tables fluently is essential for our speed and competency in maths and greatly improves children's speed of calculating and confidence. In order to support the learning of times tables at home, we have invested in a new online programme; Times Table Rock Stars. This can be accessed online at home as well as at school (there is also an app to download). It is designed to be a fun, motivating tool where children can work towards their 'Rock Star' status. There is even a competitive element of the multiplayer game for children who enjoy that competitive challenge.

Today, any children from Year 1-6, will arrive home with login details and the programme can be accessed straight away. If you have any further questions, please see class teachers.

Royal Wedding.

We had a lovely afternoon on Monday, celebrating the wedding of Prince Harry and Meghan. The children had great fun playing a variety of outdoor games, trying their hand at croquet, a traditional game of cricket and bowls to name just a few. In classes, we then all enjoyed a cream tea and choc ice in the glorious sunshine. And we wish the happy couple all the best.
