Summer (2) 2018

Our Learning Journey

This half term we will continue our challenge pack 'A Real World'. The children really enjoyed their trip to Golden Orient last week, we will use this experience to set up a Chinese restaurant role play and continue our learning about similarities and differences between England and other countries around the world.

In Maths we will be solving money problems as well as problems involving sharing, doubling and halving.

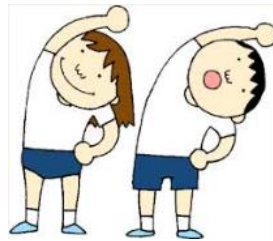

In English we will continue to develop our letter and sound recognition. We will be listening and recording the sounds in words with a focus on writing sentences.

If you have any questions about your child's learning or how best you can help them at home, please do not hesitate to ask myself or Miss Allen.

Accidents will happen!!!

Any parents that have spare pants, trousers and skirts that they can donate to school would be very much appreciated.

PE

We will be practicing for sports day over the next few weeks. Please make sure your child has a NAMED PE kit in school at all times. This should consist of white t-shirt, black shorts and pumps.

Dates

2nd July
EYFS Sports Day 9.15
6th July
Parent Consultation Meeting
12th July
Summer Fair
20th July
Zone Assembly
Last day of term
12 o'clock finish

Parent Teacher Meetings

On 6th July you will have the opportunity to meet with myself and the year one teacher to discuss progress, next steps and transition for your child, please ensure you send the appointment slips back to school ASAP.

Homework

Please continue to read with your child at home and practice the 'Snappy Maths' homework set each half term. It really does make a huge difference to their progress. Please remember to sign your child's purple diary every time they read with you at home.

And finally...

We can't believe that this is the last half term, we have loved teaching this class and wish them all the best as they move to Year One.
