

# Year 6 Summer 2 Newsletter

## Summer 2

Year 6, you have almost completed primary school!

Firstly, I would like to congratulate children for all the effort in the run up to SATS and to thank parents for ensuring children were relaxed during the whole week.

### What next?

Now Year 6 have plenty to get excited about: we have a car wash on Monday (to raise funds for our Leavers' party); Go Ape; Sports Day; Forest School; Bikeability; Year 6 K2M Glockenspiel performance; our Year 6 Graduation assembly and finally our Leavers' assembly.

More details will follow as the children begin to organise their events and we thank you in advance for the help and support I know you'll give the children with these events.

### Transition

Furthermore, there will also be a few transition dates for you to note on the right hand side of this newsletter.

Schools may also contact you with other transition dates.

### P.E

As Sports Day is right around the corner, children will be preparing for athletic activities in P.E so P.E kit is required in school at all times. This consists of a white shirt, black shorts and appropriate footwear for the field. We will also be preparing for a dance to perform at our Leavers' assembly so children can choose to wear P.E kit or comfortable clothing to dance in.

## Dates for your Diary
