We are extremely pleased to welcome back Year Two parents and children! We hope you have all enjoyed your break!

This half term, we will continue to focus on our challenge pack; The Really Rural Show.

The children's challenge will be to recreate the countryside in our environment. We will be collaborating with Year One to create and design our school Summer fayre which will take place on the 12th July. We look forward to you joining us!

This term, Miss Evans who is a student teacher will continue to work with your children alongside Mrs Gill and Mrs Micklewright. We are all very excited and are looking forward to continue working with you.

### The Really Rural Show

Children will be looking at the famous artist Andy Goldsworthy and will recreate sculptures using his style.

They will be showcased at our challenge outcome.

We will continue comparing geographical features of town

### P.E.

This term, we will be focusing on Athletics. Children will be learning a range of skills such as; jumping, running and throwing.

Please ensure your child has a named PE kit in school. We have P.E on Fridays.

If your child wears earrings, please make sure they take them out on PE days. If they are unable to do this, plasters are available.

Encouraging regular attendance is one of the most powerful ways to support children; for both for their happiness and wellbeing, as well as improving their learning in school.

With your continued support, we hope to achieve our school target attendance in the summer term.

### Homework

Every week your child will receive a set of spellings. Please practise these at home as we will have a spelling test every Monday.
