We are extremely pleased to welcome back Year Two parents and children! We hope you have all enjoyed your Christmas and would like to wish you a happy new year!

This term, we have a very exciting challenge pack called Up Up and Away. Children will be learning about things that fly and by the end of the Spring term, the children will have designed and made an item of their own that can fly.

This term, Mrs Micklewright and Mrs Gill will continue working in class with your children. We are all very excited and are looking forward to continuing to work with you.

### Up Up and Away

This term in NICER, our challenge pack is called Up Up and Away and our challenge is; "How can we make something fly?" We will begin the term by visiting RAF Cosford where we will take part in different workshops and explore the museum. Children be learning about the different countries and continents we can fly to, about their climate and their cultures. We will also learn about the history of aviation and how it has changed through time.

### P.E.

Please ensure your child has a named PE kit in school. We have P.E on Fridays.

If your child wears earrings, please make sure they take them out on PE days.
