

Dear Parents/Carer

As you are already aware, we have unfortunately been unable to offer full time Nursery places in our desired time frame. We do pride ourselves in being able to offer free, full time Nursery provision and it was only extreme circumstances that caused the delay in the start of this provision.

We are now delighted to announce that we are able to run our planned full time Nursery beginning on Monday 9th October. The children can therefore start at 9:00am and can be collected at 3pm Monday to Friday. Children can stay for lunch, which is £2:15, or alternatively bring a packed lunch along with them.

I would like to take this opportunity to thank all parents for their patience whilst we tried to resolve this matter and for their continued support of Rowley Park Academy.

Yours sincerely

Miss Stubbs
Deputy Headteacher
