

NICER Curriculum: Home Learning Challenges

Year Group: 1

Challenge Pack: The Big Adventure

Challenge: *Can we plan a fair to share our Big Science Adventure?*

Outcome: **Science Fair**

How Hungry are you for a Home Learning Challenge? How many Challenge dishes will you choose?

Choose which Home Learning Challenges you would like to complete from the Menu of Dishes below.

How Hot do you like your Meal?! The hotter the dish you chose, the more challenging it will be! Yellow: Warm, Orange: Medium, Red: Hot

Small Dish Challenges

You could chose to complete just 2 of these, or more, or chose 1 to start you off before moving on to a Large Plate Challenge!

Take an Autumn walk outside with paper and some crayons. Can you find some surfaces to make some rubbings on? Can you describe them?

Create a simple map or plan of your house. What rooms are in your house? Do you have a garden?

With an adult, can you tell the story of the Bear Hunt? Can you make up some new verses for the Bear Hunt that involve going near a River?

Large Plate Challenges

You could chose to complete just 1 of these spending a number of weeks on this and building up your learning every time!

Gather some photos with your family of different places that you have visited. Talk about what these places were like and use some good wow words. With help, place these photos onto a large map to show where they were.

Plan and design an outfit that you should wear if you were going on an outdoor adventure on a cold day. Label a plan of this outfit, and then if you have any of these items, put them on and take a picture!

What would you need to pack if you were going away on an adventure for a longer time? If you had to stay overnight? Create a list with pictures of the kind of things we might need to take.

<i>Name:</i>		<i>Class:</i>	
Small Dishes		Large Plates	
<p>Take an Autumn walk outside with paper and some crayons. Can you find some surfaces to make some rubbings on? These could be from trees or rocks. You could also take rubbings of leaves. Can you discuss and label what the surfaces are like (eg rough, smooth, hard, soft etc)</p>	<p>Gather some photos with your family of different places that you have visited (this could be locally or in the UK). Talk about what these places were like and use some good wow words. With help, place these photos onto a large map to show where they were.</p>		
<p>With an adult, can you tell the story of the Bear Hunt? Can you make up some new verses for the Bear Hunt that involve going near a River? Or other different landscapes? What noises might you hear?</p>	<p>Plan and design an outfit that you should wear if you were going on an outdoor adventure on a cold day. What might you need to wear? Draw and label a plan of this outfit, and then if you have any of these items, put them on and take a picture!</p>		
<p>Create a simple map or plan of your house. What rooms are in your house? Do you have a garden? You can also show the street and other things that may be near your house on the map. Your map can be shown in our art gallery.</p>	<p>What would you need to pack if you were going away on an adventure for a longer time? If you had to stay overnight? Create a list with pictures of the kind of things we might need to take. Using the computer or magazines, you can find pictures of these items and stick them onto the picture of a large overnight bag!</p>		

Which dishes have I chosen?

What have I completed and created?

How have I found completing the Challenge Pack Homework?
