

## NICER Curriculum: Home Learning Challenges

Year Group: **5**

Challenge Pack: **Castle Attack**

Challenge: ***How can we set up a banquet fit for a King?***

Outcome: ***Re-enactment: battle or banquet***

How Hungry are you for a Home Learning Challenge? How many Challenge dishes will you choose?

Choose which Home Learning Challenges you would like to complete from the Menu of Dishes below.

How Hot do you like your Meal?! The hotter the dish you chose, the more challenging it will be! Yellow: Warm, Orange: Medium, Red: Hot

### Small Dish Challenges

You could chose to complete just 2 of these, or more, or chose 1 to start you off before moving on to a Large Plate Challenge!

Design your own coat of arms for your family. It needs to have 4 sections to it describing what your family is like.

Identify a castle in England. Research facts about this castle and create an information sheet which includes an image.

Write a poem that describes an aspect of Castle life. Use your descriptive language to form interesting sentences in your poem.

### Large Plate Challenges

You could chose to complete just 1 of these spending a number of weeks on this and building up your learning every time!

Research which parts of a castle were used for defence. Create a design for a castle with labels. Create a model of your castle to display at our final banquet or re-enactment.

Design a menu for a banquet. You need to have 3 courses with 3 choices for each course. Complete questionnaires to find out which dishes people would prefer. Create your final menu, and design that can be presented.

Plan an important speech that needs to be given at a Castle banquet. Research a particular significant event that happened in the past. Plan a speech to inform guests about what is happening.

Design your own coat of arms for your family. Research other famous coats of arms to help you! It needs to have 4 sections to it; each section using a fantastic describing word to explain what your family is like.		Research which parts of a castle were used for defence. Create a design for a castle that labels which aspects would be used if it was to be attacked. Once your diagram has been made, create a model of your castle to display at our final banquet or re-enactment.	
Identify a castle somewhere in England and locate it on a map. Research at least 5 key facts about this castle such as when it was from in history and what remains of this castle? Create an information sheet about your Castle choice and include an image.		Design a menu for a banquet. Research traditional meals from the past to help your ideas. You need to have 3 courses but you need to come up with 3 choices for each course. Once you have designed your menu, complete market research by creating a questionnaire to ask at least 6 people to find out which of your dishes that they prefer. From what you find out, create your final menu, and create a final design that can be presented at a banquet.	
Write a poem that describes an aspect of Castle life. It could describe the Castle itself, or someone living in the Castle such as a soldier or a member of the important family. Use your descriptive language to form interesting sentences in your poem – it does not have to rhyme unless you chose it to!		Plan an important speech that needs to be given at a Castle banquet. Research a particular time period and a significant event that happened in that time period. Imagine that you are part of this event, and your speech needs to inform guests about what is happening. Research key facts that you would need to share; or use your imagination to create any aspects that you cannot find out. Develop a first draft, edit and develop to create your final speech to share at the banquet or re-enactment.
