

Name the Restaurant!

After we were forced to close for very important and unavoidable work to the school kitchen's roof, we are pleased to announce that Rowley Park's Kitchen is now Open again!

To celebrate, we would like pupils to name our kitchen!

The winning entry will be chosen by the head, from a shortlist that will be provided by the catering staff from all entries

Pick up a slip from the school office to enter the competition and place it in the box once completed

The winner will have their restaurant name designed by our professional graphic designer and their new sign hung over the kitchen door!
