

5/12/18

Dear Parents/Carers

I am finalising preparations for our Forest School festivities tomorrow 6/12/18 and would like to inform you of a few last minute arrangements.

There will be two sessions, a 4.15pm session and a 6.15pm session, by now everyone should have received their tickets. Please bring them with you as they will be checked on entry and if your child is visiting Santa you will need to keep them.

Entry will be through the side gates on West way entrance (towards the bottom of the field). If you are driving, you may park your car on the car park but will need to walk down via West way, please be advised that there will only be limited spaces. The gates to forest school will be open for 15 minutes at the beginning of each session so please don't be late.

We do have access to toilet facilities but they will be limited as it will mean a walk up the bank where there is reduced lighting. It may be worthwhile children ensuring they have had a visit before they come.

Please wrap up warm, it will be cold and I would strongly advise wellies or walking boots as due to the recent rain, parts of the forest are muddy. The Forest will be lit but please be aware that it is advisable also to bring a torch with you.

Also all children attending must be accompanied by an adult at all times. Rowley Park staff will be onsite to lead activities but not supervise children.

If the weather worsens overnight, we will still go ahead with an outdoor Winter Wonderland but it may not take place in Forest School. You will be sent a text advising you.

Please bring along your best singing voice and if you have any other questions don't hesitate to ask. I am really looking forward to seeing you all for a magical evening.

Yours Sincerely

D.Lipton
(Forest school leader)
