

23rd April 2020

Firstly, all staff at Rowley Park would like to say a big hello to all of our children and families - we are missing seeing your smiling faces everyday. We hope that you, your families and loved ones are all safe and well during these uncertain times.

We would also like to say a big thank you for all the kind words and support that you have given us during a time when difficult decisions have had to be made. It makes such a difference to us to have the support of our school families so thank you so much.

We continue to support the pupils learning through the uploading of work onto the school website—Maths, English and Reading for the week— moving forward this will be in a dated folder. There will also be a project that will be uploaded fortnightly for children to work there way through the activities.

20.4.20—The area you live in

4.5.20—Viewfinder

Some music activities will be uploaded soon too if you want to access them.

You can continue to support them by practicing their timetables, TT Rockstars and Reading.

We do not expect you to be educating your children all day as they would in school. These are not normal times so please also take time to look after the well-being of yourself and your children —dance, sing, draw, snuggle up for a film, go for a walk, play in the garden if you can and enjoy the sunshine. Your happiness is important to us so just continue to do the best that you can!

Nursery Applications are open until 30th April.

If you require a place then please contact the school or you can download an application form from our website.

Nursery will be open for morning sessions only and will run from 8.45am—11.45am.

Food Parcels for children who are entitled to free school meals will be given out fortnightly—these need to be booked by calling the office or emailing.

If you already have, you remain on our list so you don't have to keep ringing in. If you have ordered one, please collect as we order the food in and then fresh food goes to waste when not collected.

If you are not FSM and require information about food packages due to a change in circumstances please give us a call.

Teachers will be making phone calls to check in and see how you are all doing and to offer any advice that we can and help where possible. Please note that phone calls from teachers will come up as private or withheld number.

Please remember that if you do need to contact us at all you can by:

Calling the school office on 01785 334144 and leave a voice message and Mrs Beaumont will get back to you as soon as possible.

Or

Email Mrs Beaumont—

Headteacher@rowleyparkacademy.org.uk

There may be changes for some of us during this time (employment, income, living arrangements, health, family circumstances etc...) so please contact us if you need to and we will do all we can to help. Anything discussed is kept confidential.

after rain
there's a rainbow
after a storm
there's calm
after the night
there's a morning
and after an ending
there's a new beginning
