School Photographs

School photographs are taking place on Wednesday 15th October during school hours—these will be individual photos only. Children need to wear school uniform on this day.

There will be no PE kit required that day due to the hall and gym being used to take photographs.

Please can you ensure that school uniform is named and PE kits are appropriate.

PE kit is black shorts/white t-shirts and children can wear a plain black tracksuit. If wearing a tracksuit the t-shirt they wear should be their white PE t-shirt.

**Attendance Congratulations.**

Well done to Year groups Nursery,1,2,3 &5, who have met and passed the schools attendance target.

Late arrival at school impacts your child's attendance mark; please ensure your child is ready to line up on the playground at 8.50am.

Remote Learning.

In circumstances where a child has to self-isolate, the school is responsible for providing home learning—it is compulsory that children complete this work and share it with their teacher.

Nursery/Reception/Year 1—will use tapestry to share home learning and teachers will give feedback and support learning via that platform.

Year 2– Year 6—will use Showbie - Children have been given a password and log in details. There are also videos on the website of how to complete work and upload it so the teacher can mark work and give feedback.

Should you require hard copies of the work, please contact us to let us know—we would encourage you to share this with us by taking a photo on your phone and emailing it in.

Along with the videos, our remote learning plan for parents is available to read on the website under the home learning tab.

As always, should you require support or have any questions regarding home learning —please call the school or email [headteacher@rowleyparkacademy.org.uk](mailto:headteacher@rowleyparkacademy.org.uk)
