School Uniform

A reminder that children should be back in school uniform, this includes ties and appropriate school shoes.

PE kit should consist of back shorts/white t-shirt. If your child is wearing a tracksuit for outdoor PE sessions this should be plain with their white t-shirt underneath,

Coming to school!

In the mornings it has come to our attention, that some children are arriving to early to school and are unsupervised. This is mainly children that walk themselves to school.

There are no members of school staff on the playground until the school gates open at 8.45am.

If your child is walking themselves to school, please ensure that they do not leave too early.

COVID 19—Track and Trace

As a school and in line with government guidelines, we must continue to be part of the test and trace process.

As a school, our staff will continue to conduct lateral flow tests and respond to results.

As parents we would like to ask that you keep in contact with us regarding any positive cases and isolations. If your child test positive for COVID it is important that we are informed so that we can respond in line with our risk assessments and track and trace duties.

You can inform us of positive tests at:
