

Weekly News... Friday 30th April 2021

Our target attendance is 96.1%

Hello everyone,

The start to the summer term has been a busy and exciting one for the children. Our after-school clubs have started up and are proving very successful. There are still some spaces should you need one and the children have enjoyed participating in enrichment sessions on a Thursday which includes music, art, forest school, French and mindfulness.

Some classes have also had an experience hook for their challenge packs (listed below).

EYFS— On show and Year 1 and 2—Buckets and Spades

EYFS, Years 1 and 2 experienced a punch and Judy puppet and magic show which they thoroughly enjoyed in the sunshine. They also learned about what happens

behind the scenes to put the show together.

Year 3 and 4— The Toymaker's Apprentice

Year 3 and 4 had a morning investigating different types of toys, how they are made and what they like/dislike about them. They will be using their knowledge gained to create their own toy at the end of the challenge pack.

Year 5—Castle Attack

Year 5 will soon be having a Saxon experience day to get them hooked into their challenge pack.

Year 6— Let us entertain you.

Year 6 experience an in school theatre experience by watching a virtual national theatre performance of Treasure Island whilst having Ice-cream like they were at the Theatre. Children will be working towards a performance at the end of the term.

School Uniform

A reminder that children should be back in school uniform, this includes ties and appropriate school shoes.

PE kit should consist of back shorts/white t-shirt. If your child is wearing a tracksuit for outdoor PE sessions this should be plain with their white t-shirt underneath,

Healthy School

Just a reminder that we try to encourage the children to make healthy choices at lunchtimes and break times. Children in EYFS and KS1 have access to fruit in the mornings and children are able to purchase toast should they wish to. Children should not be bringing sweets and fizzy drinks to have at break and lunchtimes.

Also as we head onto the summer term, when the warmer weather is here, please provide your child with a sun hat and put on sun cream before school if you can.

Parents Evening

A letter has come home separately today regarding parents evening—this will still be virtual due to restrictions and safety measures in place. You are able to choose between a phone call or a zoom meeting.

Please complete these forms as soon as possible and return to school with your children.

We will do our best to give you your preferred time but time slots will be allocated as and when slips come into school.

We very much look forward to discussing your child's progress with as many of you as possible.

Dates for your diary:
