

Weekly News... Friday 28th May 2021

**Our target attendance is 96.1%**

Hello everyone,

We can't quite believe that it is already half term. The school year is going so quick!

Over the last couple of weeks, the children have continued to enjoy the experiences on offer.

In forest school, they have been learning how to use risk assess and use tools safely to build their own mallets, bow and arrows and jewellery. They even got to toast marshmallows!

Year 5 had a Viking and Saxon experience day where they learnt all about aspects of these time periods in history and about invasion. They had a wonderful day trying things on and acting out battle scenes.

Children have been really excited by responses they have been getting to their writing and cards we have sent. We have had a responses from the local care home to say thank you for the share a smile cards and jokes.

Lily in Year 5 had sent a letter asking questions about a career as a chef to Gordon Ramsey and his team and received a letter back and in a response to a letter written to the police service they have offered to come in to talk to the children about the career path of a police officer which they are looking forward to.

We hope you have a lovely half term!

Due to how much time the children have lost in school due to COVID 19, everyday really does count. Your child's attendance and punctuality at school is very important. Should you require any support and advice regarding illnesses, attendance etc... then please call the school office where this can be organised.

### Half Term

Half term is here! We hope you have a lovely half term together. We look forward to welcoming the children back on Monday 7th June 2021.

### Healthy School

Just a reminder that we try to encourage the children to make healthy choices at lunchtimes and break times. Children in EYFS and KS1 have access to fruit in the mornings and children are able to purchase toast should they wish to. Children should not be bringing sweets and fizzy drinks to have at break and lunchtimes.

Also as we head onto the summer term, when the warmer weather is here, please provide your child with a sun hat and put on sun cream before school if you can.

### Parents Evening

Thank you for all if those parents that attended parents evening this week. The teachers thoroughly enjoyed discussing the children's progress with you. We are extremely proud of the children and how well they are doing.

We will be holding our usual parent consultations towards the end of the school year.

### Dates for your diary:

- Monday 7th June —Dance club, Cricket club, Art
- Tuesday 8th June—Forest school, multi-sports, Gardening 3.15—4.15pm
- Tuesday 8th June—Swimming
- Wednesday 9th June—Multi-sports and Dance club 3.15-4.15pm
- Thursday 10th June —Drama Club 3.15pm—4.15pm
- Friday 11th June—Drama Club 3.15pm—4.15pm
