Sports Day.

Due to COVID 19 restrictions for schools, unfortunately, we will not be inviting parents to join us this year for Sports Day. We understand that parents may be disappointed by this but we will still be ensuring that the children have the best time competing and joining in fun activities too! We have our fingers firmly crossed that next year, we will be able to invite parents back into school for events and challenge outcomes.

Year 6 Leaver's Events

Year 6 will still celebrate their end of primary school journey with a graduation, a leaver's party and a performance that they have been working on of Treasure Island. The Year 6 teacher's will be in touch with you to inform parents of how these events will be held safely.

Thank you for your continued support and understanding.

All of the children at Rowley Park will be taking part in the Race for life schools event along with the other 8 schools in the trust who will be taking part on their own school

grounds. Ours will be based within our school grounds and staff will be supporting children. We are doing this is tribute to one of the trust head teachers that sadly passed away last year as well in tribute to all that have been touched by Cancer within our school community.

We decide to do a fundraising page instead of a sponsored event—Please donate if you can—the link was sent via email to you and is on the twitter page. Thank you to the parents that have donated so far!
