

Dear Parents/Carers

We are delighted to announce that from September 2021 we will be working in partnership with our new caterers *Chartwells*, cooking fresh food on site every day using locally sourced ingredients, and our chef will continue to be able to cater for specific dietary requirements where necessary.

School meals will continue to be provided to those who are eligible for a free school meal and those who receive the universal free school meals offer in Reception, Year 1 and Year 2.

Children in classes above Year 2 will be able to purchase a meal for £2.34 and children will be offered a choice of a hot main course, jacket potato with fillings or a cold sandwich option every day alongside a range of salads, raw vegetables, homemade bread and fresh fruit. A pudding option will also be available and a choice of drink will accompany their meal including milk, fruit squash or water.

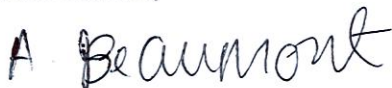

If your child has any allergies or dietary requirements, we can cater for their needs and provide any information on our recipes that is needed to help make decisions. Our catering staff are all trained in managing allergens and we are always happy to accommodate individual requirements.

Please see our website for the new menu choices that will be available from September; we will begin on week 2 of the menu choices when we return on the 6<sup>th</sup> September.

Further information will follow when we return in the autumn term. If your child has a medical requirement please complete the attached forms provided and return to the school office.

We hope to see your child for lunch soon.

Yours Sincerely

Mrs A Beaumont  
Headteacher
