Nursery NEWS

AUTUMN 2021

Progress so far...

Well done to Nursery for all of their hard work during their first half term in school! We have a class full of enthusiastic and determined learners and are already seeing progress.

Our Learning Journey

Our theme this half term is 'Let's Celebrate' and we will be looking at a range of celebrations that people enjoy from many different cultures. We will experience some of the traditions within these celebrations to support our understanding.

In Maths we will be continuing our learning of numbers 1-5. We will have a number focus each week, which will also be reinforced through our play.

We will also continue developing our early phonics skills. So far, we have practiced listening to sounds, exploring instrumental sounds and body percussion. We will further develop these skills by exploring alliteration and voice sounds this half term.

If you have any questions about your child's learning or how best you can help at home, please do not hesitate to ask Nursery staff.

Wrapping up Warm

Now that the weather is going colder, please ensure that your child comes to school with a coat, hat and gloves. We love to go outside in all types of weather!

Dates

Half Term

Friendships

Nursery are making some lovely friendships with one another which is amazing to see! This means that we are also building up our communication skills to support all of our interactions. Well done Nursery!

Arrival to Nursery

Please can you ensure that your child is in Nursery by 8.45AM each morning. This is important so that we can close the gates on time to allow our learning to begin.

Homework Focus

We will continue to send a reading book home every Friday with your child. Please continue reading this, exploring the comprehension of the story and writing in your child's diary so that we can monitor progress.

In Nursery, we are also practicing recognising and writing our names. We will be sending name cards home for you to support this, and your child's early mark making skills.

If you would like any further resources to support your child's learning at home, for example colour or number cards, please ask a member of Nursery staff.

Accidents will happen!!!

We are thankful for the spare clothes that you bring with your child each day. Can we also ask that you bring a pair of spare socks to Nursery, as we always have a shortage of these!
