

# Year 6 Autumn 2 Newsletter

**Rowley Park**  
Primary Academy

Greetings earthlings! Yes, Year 6 are still working extremely hard on our Space Infinity challenge pack. We have learned the ins and outs of pneumatic/hydraulic mechanisms, designed our very own rovers before we make our prototypes in the coming weeks. After that, we will be busy creating our very own space video game—and before you read on, yes this is what it's like to learn at RPA!

## Dates for your Diary

Parents Evening (zoom or phone call)  
Wednesday 10th November 2021

**End of term**  
**Friday 17th December 2021**  
**@ 12:00pm**

School re-opens  
Wednesday 5th January

## P.E

Our regular PE spots are on Mondays and Wednesdays so we ask children to bring in appropriate PE kit (white shirt, black shorts) all week just in case there is a change.. For children with piercings, please ensure they are removed before arriving at school or tape over before beginning the session.

## Reading

To assist with their studies, it is imperative that your child reads for at least 15-20 minutes per day. This has a fantastic effect on your children's learning and develops their vocabulary, sentence structure and inferences within a text.

## Homework diaries

Please ensure your child's homework diary has been completed whenever they have read at home. We also recommend that children use TTR so that they can practice their times tables as the Year 6 curriculum heavily relies on a sound times table knowledge.

In addition to this, homework diaries will include their weekly spellings and logins/passwords to Showbie, TTR and the Spelling Shed.
