Nursery NEWS

Spring 2022

Progress so far...

Nursery have come back to school after the Christmas holidays as eager and busy as they left! There has already been lots of interaction with one another – it is lovely to see the friendships that have been established.

Our Learning Journey

Our theme this half term is 'Community Heroes'.

Each week, we will focus on a different occupation where a person helps us. We will also be having visitors into school to talk about their jobs, for example a Doctor, Post Man and Vet.

We will be doing lots of work about shapes during our Maths learning, identifying shapes and creating shapes. As well as this, we will also continue our learning of numbers to 5, our skills to subitise these numbers, write them and match objects to them.

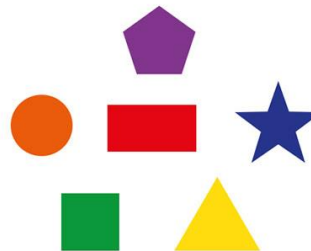

In Literacy we are focusing on writing our names, and then forming some letters in our name independently. During phonics, we are learning about rhyming words, identifying these in stories and songs, and making up our own.

If you have any questions about your child's learning or how best you can help at home, please do not hesitate to ask Nursery staff.

Tapestry

It would be lovely to see all home learning and exciting experiences that children have at home! Please could you upload these onto tapestry so that we can share them with the rest of the class during circle times.

PE Skills

The PE skills that we will be focusing on in Nursery can easily be mirrored at home. We are going to be practicing our ability to throw and catch, and learning to develop these skills.

Arrival to Nursery

Please can you ensure that your child is in Nursery by 8.45AM each morning. This is important so that we can close the gates on time to allow our learning to begin.

Homework Focus

We will continue to send a reading book home every Friday with your child. Please continue reading this, exploring the comprehension of the story and writing in your child's diary so that we can monitor progress.

Can you also continue to practice name writing with your child, and then take this one step further by encouraging your child to attempt to form some letters off the card.

If you would like any further resources to support your child's learning at home, for example colour or number cards, please ask a member of Nursery staff.

Dates

21st Feb – 25th Feb

Half Term

Accidents will happen!!!

Thank you for bringing spare clothes with your child each day – this helps a lot!

Please just remember socks too, as we often struggle to find spares.
