

Year 1 Newsletter.

Reading and homework.

Thank you very much for ensuring your child has their reading book and purple diary with them to hand in on a Wednesday ready to be changed and given back out on a Friday.

Books will only be changed when there is evidence that the book has been read to the end- this may be at home or in school.

Spellings will continue to receive spellings on a Friday to be tested the following Friday.

Autumn 2.

I would like to take the opportunity to welcome back the parents and carers of the children in Year 1 and say happy New Year!

The children have come back into school eager to learn and excited about their new challenge pack Really Rural Utterly Urban.

This term we will be getting children ready for whole class teaching and increased independence with their work. At this time, children will still have access to the reading corner, computers and skilled-based activities that the children can explore independently. All children will have support given by myself at a level that is needed for them to be able to make progress. We have already had a few whole class sessions and the children have been immersed in their learning and shown great collaboration.

Playtime snack:

Toast 25p

Fruit is available for all pupils during playtime as well as daily bagels as children come into school.

PE kits.

Year 1, now have PE on a **Wednesday afternoon**; please make sure that PE kits are in school for children to change into. The PE kit is black shorts, white t-shirt and pumps/trainers.

Challenge: How many buttons on your school shirt can you do up by yourself? Extra points for the top button 😊

Lower Drayton Farm.

The children had a brilliant time at Lower Drayton Farm. They went on a tractor ride to see the animals in the fields, counted the wheat crops, which had been planted and saw the ewes, which are just about to start lambing.

All children thoroughly enjoyed looking, stroking and feeding the animals at the farm and showed impeccable behaviour whilst in the soft play.
