Autumn Term -Year 2

English

We will kickstart the term with reading extracts of postcards from around the world before the children will write their very own postcard as a tourist in Modern London. The children will be focusing on identifying adjectives, questions and basics (capital letters, full stops) as well as including 4 of the 5 senses. We will be writing diary entries inspired by Samuel Pepys and cover a range of genres that tell the story of fire through historical and religious events.

Teacher's Message

We are delighted to welcome your children and families back to school for the Autumn term. Miss Aston is class teacher and Mrs Bagot will be supporting in class all week and any messages you would like to share can be taken every morning on the door. We are excited to be working together and sharing our learning over the next year!

Maths

In maths this term, we will be focusing on place value (up to 100) and how to represent numbers in a range of different ways. There is always a practical element to our maths lessons so that children gain a deeper understanding. We will also be focusing on a range of methods to support our knowledge of addition and subtraction.

NICER

Our challenge pack this term is "Sparks Will Fly". Our challenge is to create a fire safety video with a set of instructions following on from learning about the Great Fire of London. The children will begin with exploring what happened on Pudding Lane in 1666 and learn about why and how the fire spread, as well as how London changed afterwards.

We will even be taking an exciting trip to the local Fire Station!

P.E

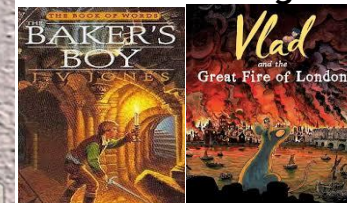

PE will be taught every Monday and Wednesday. Children require black shorts, a white round neck t-shirt and trainers. These may be kept in school. Earrings will need to be taken out that day.
