Challenge Pack

Our Challenge Pack challenge pack this term is 'It's All Greek to me'. Within this, Year 4 will be looking at the legacy left behind by Ancient Civilisations and how modern day has been impacted by their developments. Our outcome will be to create events for our Sports Day carousel. We will be linking our Challenge Pack work to other subjects across the curriculum so that we can widen our understanding.

P.E

This term PE lessons will be on a Thursday before half term and a Tuesday and Thursday after half term, children will be working on developing their skills in Cricket and Athletics. Children are reminded to bring appropriate kit. Details can be found on our school website. A polite reminder that football shirts are not to be worn during PE.

Maths

Throughout the term, children will be exploring a variety of topics within Maths. These include: Fractions, Decimals, Money, Time, Shape and Statistics.

Alongside this, children are encouraged to practice their timestables, which can be accessed on TT Rockstars or a copy of the timestables can be send home on request.

R.E

This term in RE, we will be focusing on 'What do Christians learn from the creation story?' in Summer 1 and in Summer 2 we will look at 'What does it mean to be a Hindu in Britain today?' As always in RE we will be looking at different perspectives and how they relate to each other, sharing our own ideas and opinions.

Homework

We ask that your child is reading 10-20 minutes daily, with this being recorded in their homework diaries. Homework diaries are expected to be brought to school daily to support any communication with parents.

Children will be sent home a Maths worksheet on a Monday to be completed for the following Monday.

Spellings will be given on a Monday every other week.

Children should look to complete timestable practice on TTRS.
